Rotokare Scenic Reserve

Guided Walks

Take time out to explore Taranaki's idyllic pest-free conservation site, Rotokare Scenic Reserve 12 kms east of Eltham. Nestled in rolling farmland and steep back country terrain, this gem of natural beauty takes you on a journey back in time to the New Zealand bush before introduced pests and predators ravaged the native flora and fauna. During Rotokare Scenic Reserve Guided Walks you'll experience a relaxed 4km walk around the sanctuary with its stunning lake views and pristine examples of dense swamp forest. The guide will talk you through the history of the project, from fence construction to pest eradication, and beyond. You'll also be introduced to some of New Zealand's unique plants, and will have plenty of opportunities to spot some of the wonderful bird-life. Sensible footwear and a moderate level of fitness are required.
